# Ears To The Music & Eyes To the Stars

Friday, August 25  
7 :30 pm

*Generously sponsored by  
Dr. Carole Paveglío-Kiefiuk of Clearview Eyecare*

Join your Lake Sherwood neighbors for a **free** family event in **Kendall Park** (Ledgewood at Stumpwood) offering an evening of optical star gazing & musical entertainment by the **Delivery Boys**, featuring Ravinewood Drive resident Rich Rustad and his band playing an

array of folk, bluegrass & oldies. Guests are asked to bring a lawn chair or blanket. This is a BYOB event.

*Note to guests: A prelude before star viewing is a detailed powerpoint astronomy presentation; superb for children and adults to understand!*

**Guests will enjoy viewing the skies through professional telescopic devices. An astronomer will provide a brief explanation of the evening's planets & stars.**

Music will be performed **7:30 to 9 pm**;  
Telescope viewing will be from **9 to 10 pm**
